AUTHORIZATION TO PAY AND PETITION FOR THE ACCEPTANCE OF ANY NECESSARY FEES: If any charges or fees must be paid in connection with the following Communication (including but not limited to the payment of issue fees), they may be paid out of our deposit account No. 50-3286. Dear Sir or Madam:

The reasons for allowance stated by the Examiner appended to the Notice of Allowance mailed January 16, 2007, refer to only some of the patentable features in independent claims and are not the only reasons that the claims are allowable. It is believed that each of the independent claims include additional or other patentable combinations or features not noted by the Statement of Reasons. Also dependent claims may include additional patentable features or combinations of features not addressed.

Respectfully submitted,
